Spring Meeting 2017, May 12th
in Basel*

The presidents Invitation

Basel, April 20th, 2017

Dear Members and interested professionals,

We cordially invite you to join the SCS Spring Meeting 2017 in Basel on May 12th.

The meeting will start at 2pm in auditorium 4, ground floor of “Klinikum 1” at the University hospital Basel – see plan on page 5 for directions.

We are happy to welcome Prof. Dr. med. Vera Ulrike Bacher as speaker, who will give us her insights on **“Current and future challenges for diagnostic hematology laboratories”**.

Prof. Bacher is senior physician in hematology and diagnostic hematology at the Inselspital in Bern, where she is currently head of the morphology and flow cytometry division. She has a broad background in flow cytometry from her former positions at the university hospitals Hamburg-Eppendorf (UKE) and Göttingen (UMG) as well as from the Munich Leukemia Laboratory (MLL).

The lecture is open to the public and – as it is a half day meeting – no conference fee is applied.

Your future lies in your hands – with this quote I would like to ask you to this year’s general assembly. The Board of our society has an open position, which we would like to fill with dedicated, innovative individuals willing to shape the society’s future – please let us know if you are interested in this important task.

Sincerely,

Paula Fernandez,
President of the SCS

*

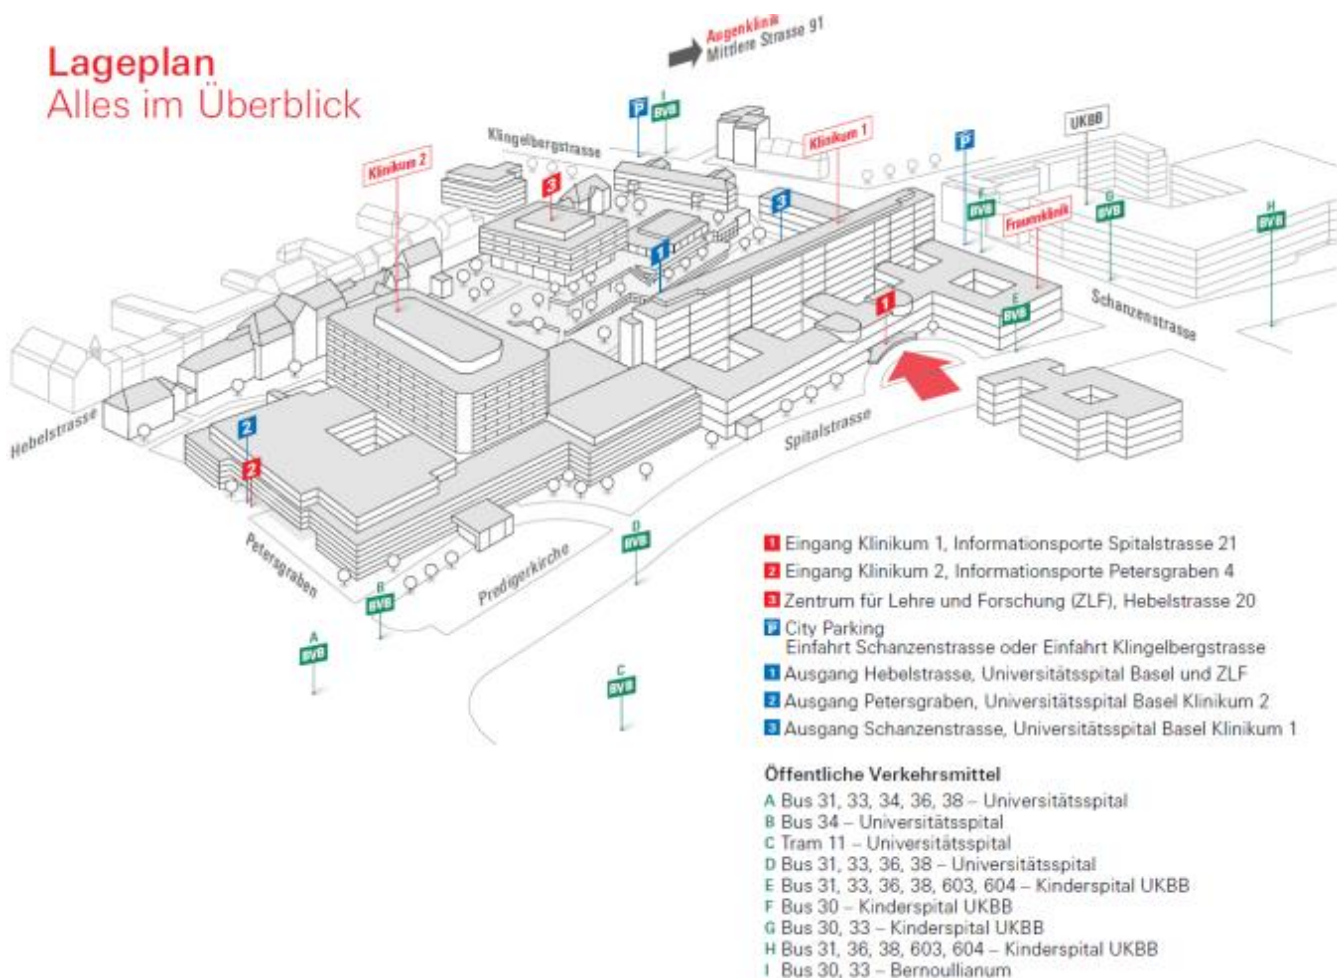

1) We have one open position in the board. Members interested in actively participating in the board are welcome to communicate their interest to the secretary of the SCS.

2) Kornelius Arn and Ewa Dudkiewicz current term in the SCS Board ends by 2017. They present their candidatures for re-election.

Venue Spring Meeting 2017

The Spring Meeting will take place at the **University hospital Basel (USB)** in auditorium 4, ground floor of “Klinikum 1” (building number 1 on the plan).

The meeting place is about 10 minutes away from the central train station (Basel SBB) and can be reached by tram line number 11 (Direction St. Louis Grenze; tram stop “Universitätsspital”) and bus number 30 (Direction Badischer Bahnhof; bus stop “Kinderspital UKBB”). Proceed walking into “Spitalstrasse” and enter “Klinikum 1” through the main entrance at “Spitalstrasse 21” (red arrow on map).
